GE COMMERCIAL LEADERSHIP PROGRAM (CLP)

GE COMMERCIAL LEADERSHIP PROGRAM (CLP) FOR GRADUATING STUDENTS FROM ENGINEERING

CLP is a 24-month program that develops marketing and sales skills through core curriculum and challenging assignments. The program provides candidates with valuable training, experience and exposure to a team of motivated colleagues and helpful mentors that can accelerate their careers.

This program is targeted towards engineering students (preferably in Mechanical, Electrical, Power Systems, Systems or Industrial Engineering) who would like to develop their career in sales or commercial operations.

The flyer and description of the business, GE Energy is attached.
