IMPORTANT REMINDER

- The courses you have registered will **NOT** be registered by the system if you do not proceed with a verification.

- Please make sure you register the right courses based on the Academic Programme Structure (APS) that has been determined for your programme of study. Please click at the button **Check Completion** to get the information on your APS. Failure to register the right courses will effect your graduation.

- Check carefully the list of registered courses before you verify the registration. Once it is confirmed, any changes made will not be entertained.

- A fine of RM50 will be imposed for each verification made after the stipulated period.

- The following students will be barred during the verification process:
  - Students who have registered for extra credit hours without the permission of the University.
  - Students who have not submitted their MUET results.
  - Registration of courses that do not meet the prerequisites.
  - Registration of courses with a C Grade pass.

- Students are reminded to complete the registration of courses by verifying or dropping the courses before the seventh week of lecture. If no verification is done after the seventh week of lecture, actions will be taken as follows:
  - the courses registered will be dropped
  - given the W status
  - fees will be charged

- If student fail to withdraw officially after a period of seventh week of lecture, the student’s academic status can be terminated.
